

## **Call for Proposals:**

### **Small project grants of the German Embassy in Pristina**

#### **What are the Small projects grants?**

The “Small projects grants” of the German Embassy in Pristina are intended to provide quick and effective help to the poorest members of society and/or particularly vulnerable population groups.

#### **Who is eligible to apply?**

All non-governmental organizations registered in Kosovo are eligible to apply. Individuals, companies and startups cannot be supported.

#### **What are the criteria?**

The project proposal:

- should benefit the poorest members of society and/or particularly vulnerable population groups;
- the grant amount has to be between 5.000 and 15.000 Euros;
- may only foresee a limited amount of expenses for personnel/staff;
- may not result in any recurrent obligations (such as fuel, food, pharmaceuticals, materials, etc.);
- can be completed within the calendar year 2021.

#### **What is the focus of this year’s Call for Proposals?**

- Income generating projects;
- Projects with a wide social impact;
- Projects dealing with medium and long-term COVID-19 impacts to society.

Projects from other thematic fields will also be taken into consideration.

### **What are the submission procedures and what is the deadline?**

The project proposal must contain the following items:

- Filled out project application form (to be downloaded from: [www.pristina.diplo.de](http://www.pristina.diplo.de));
- Finance plan of the project (own contribution, third-party contribution, requested budget from the Embassy) in tabular format with details of the individual cost items;
- Two cost estimates (two offers for required equipment and/or service expenses, translated into English);
- Copy of the NGO registration certificate;
- Signatures of two project managers (the signatures have to be scanned in).

The project proposals have **to be submitted electronically in English by 8 March 2021 at 12.00h** to [info@pris.diplo.de](mailto:info@pris.diplo.de)
